Ethics and Conduct

All District employees are expected to maintain high standards in their school relationships, to demonstrate integrity and honesty, to be considerate and cooperative, and to maintain professional relationships with students, parents, staff members, and others. In addition, the *Code of Ethics for Illinois Educators*, adopted by the Illinois State Board of Education, is incorporated by reference into this policy. Any employee who sexually harasses a student or otherwise violates an employee conduct standard will be subject to discipline up to and including dismissal.

The following employees must file a “*Statement of Economic Interests*” as required by the Illinois Governmental Ethics Act:

1. Superintendent;
2. Campus Principal;
3. Head of any department;
4. Any employee who, as the District’s agent, is responsible for negotiating one or more contracts including collective bargaining agreement(s), in the amount of \$1,000 or greater;
5. Hearing officers;
6. Any employee having supervisory authority for 20 or more employees; and
7. Any employee holding an administrative certificate or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2.105, Ethics and Gift Ban, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests, Limitation of Authority, and Outside Employment

In accordance with Section 22-5 of the School Code, “no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected,” except when the employee is the author or developer of instructional materials listed with the Illinois State Board of Education and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District.

Employees shall not engage in any other employment or in any private business during regular working hours and such other times as are necessary to fulfill appropriate assigned duties.
